Sir,

Applicant found out that the above-referenced application was abandoned due to an error by the Patent & Trademark Office. In a response he filed on or about November 16, 2004, Applicant specifically revoked all then-existing powers of attorney and authorized a new counsel, the undersigned, to prosecute the case further. The request for change of counsel also sought a change of address, which is given by way of a Customer No. 24490. Apparently, the Office has transmitted an office action on March 14, 2005 to the address of Mr. Otto Lee, the former attorney of record, which was not notified to the Applicant. Because this is a clear error by the Office, Applicant respectfully requests revival of the application without the need for a Petition fee and to permit him to recapture the period of time lost due to the Office error. A response to the Office Action of March 14, 2005 is enclosed with this petition to continue examination after revival.

Respectfully Submitted,

S/Naren Chaganti (44,602)
